**“ a program that presents teachers with active learning opportunities – Cobb’s heritage resources abound –  
learn about a treasure trove of reading and writing experiences that cross all disciplines”**

**says Dr. Eddie Bennett, Social Studies Supervisor  
for Cobb County School District**

**A joint Heritage Education project between Cobb Landmarks and The Georgia Trust for Historic Preservation  
made possible by a grant from a small private family foundation**

This course provides a methodology for teaching across the curriculum with historic places and primary documents.

This course does not teach a curriculum,

but rather a way to teach the Georgia Standards’ mandated curriculum in a way that energizes and excites the classroom.
